Hillside Cemetery is one mile east of the village of Plainwell. It was opened in 1867. The following inscriptions were for the most part copied from graves in the old section, and do not include any later than 1910 unless they seemed to be related to others of earlier date on the sameplot. The sub-divisions are lettered from 'A' to 'E' each made up of 27 plots of 8 lots or graves. The records which the Town Clerk has were consulted and burials noted therein but unmarked in the Cemetery are given as: Abbott, (cr. Harriett B. d. Aug Oct.20,1904). Where the Cemetery record differs from or has data additional to the inscription this is also given. Sub-division and plot number are indicated as: G11. New Sec. are B & C and were not copied as opened about 1900
